Memo

Government order No.
17309 dated 30th June 1898,
Mis 4061
requires that Mr. K. Rama-
-chendra Rao shall re-
-tire on Superannuation
pension, with effect from
26th July 1898, on which date
he will attain the age of
55 years.

From the Comptroller's
certificate produced, Mr.
K. Ramachendra Rao is
entitled to 3 months' pri-
-vilege leave. If this
be granted just prior to
retirement, the leave would
expire on 26th October 1898
from which date, the re-
-tirement would take
effect. But Mr. Rama-
-chendra Rao wants to
be kept on further
from

from 26th July to 1st Septemtier 1898, that is, for a period of 37 days more. If this concession be also shown, the retirement would come into effect from 1st December 1898, instead of from 26th October 1898, as stated above. (1)

Next comes the question of treating Mr. K. Ramachendra Rao as if employed permanently on Rs 600/- per mensem, for a period of 16 months during which he drew acting allowances as Sub Division Officer.

I. If all the concessions prayed for be allowed, Mr. Ramachendra Rao will get a pension of Rs 253-5-4

II If allowed to retire from 1st December 1898, that is, keeping him in service for 37 days

till 1st Septr 1898 in stead of the 26th July 1898

II Treating Mr R as a Parkar Sub-Dn Officer on Rs 600/- from 1st July 98 to 31st Octr 1897,

III granting 3 months P. leave from 1st Septr 1898 to 30th November 98

These will give him emoluments to the amount of

I	26,200
II	2400
III	1800
	30,400

for 5 years or 60 months.

$\frac{1}{60}$th of 30,400 = $506\frac{2}{3}$

Half of this = $253\frac{1}{3}$

or Rs 253-5-4.

I = Substantive pay actually drawn at Rs 600 & 450 & 600 during 5 years ending 30th Novr.

II = Diff between 600 & 450 - for 16 months instead of allowances actually drawn which amnt to Rs. 1890

III Pay during privilege leave -

12/7/98

more, and granting him 3 months' privilege leave, and without allowing the other Concession asked for, the amount of pension would be Rs 233-5-4

III. If the retirement be made to take effect from 26th October 1898, that is, only allowing 3 months' privilege leave from 26th July 1898, and refusing to grant both the concessions asked for, the amount of pension would about be Rs 231-5-4

Vide Articles 320, 329(e), 330 and 226 of the Mysore Service Regulations.

If the allowances of Rs. 630 + 600 (Nos. VIII & IX of memorial) drawn after joining Closepet be taken into calculation, the amount of pension (III Rs. 231) would be raised by Rs. 10-4-0

Office Note

Letter dated 24th August 1898 from Mr. K. Ramachendra Row, late Sub Division officer submitting his pension papers for orders.

Mr. Ramachendra Row was acting Sub division officer Sagar from 1st July to 15th December 1896 and reverted to his permanent grade viz 1st class Assistant Commissioner from 16th Decem 1896. After a period of one month and 8 days he acted as Sub Division officer, Closepet, from 24th January 1897 to 30th June 1897. While he was acting as such he was appointed

appointed Sub Prosem
in the same grade on 1st
July 1897 and confirmed
therein subsequently. He
requests that as ~~in the~~ was done
~~case of~~ in Dr. Raghunatha Row's
case he may be considered as
having been confirmed
as Sub Dy. Officer
from the date on which
he was first appointed
to act in Sagar. viz:
1st July 96 ~~in~~ view to his
being entitled to a higher
pension than that allowable
otherwise.

From the above it would
be observed that he was
not acting as Sub Division
Officer continuously from 1st July 96. He
had to revert to his perma-
nent grade viz: 1st Class Mtf.
in the interval
Commissioner for 38 days which
Dr. Rama Chendra Row attributes

~~Looks~~ to the delay in the
receipt of the Government
Order ~~intimating~~ advising him
to take charge of the Close
pet Sub Division on
being relieved by Mr.
H. V. Nanjaiondiah who
he was relieved by that
Officer 15 days before
the receipt of the order.
He argues in support
of his representation that
it is apparent from that
order that Government
did not intend his
reversion to 1st Class
Assistant Commissioner-
ship and adds that
he was already informed
in reply to his previous
representation on the
same subject that his
request had been noted
for reasonable consideration
when

when his pension papers

Mr. K. Ramachandra Rao has not subd the pension applⁿ through the D.C.M.O. but that is inadvertence due to the fact that he is now on privilege leave.

Office has not put up the necessary papers as for Example Mr. K. Rao's Memorandum petition and the Secy's D.O. reply, the orders of Govt: appointing him Sub Dn Officer Grant of Sagar and then of Closepet & so on.

Either the pension applⁿ may be sent off at once to the Comptr for verification and report on the question relating to the concession prayed for by him may be disposed of first.

In the latter case the papers referred to above will be required for Refce — KR 9/9/98

Subd to Secty

Orders have to be passed as regards the concession prayed for by Mr. Ramachandra Rao. The circs detailed in his petition seem to be in his favor. He wants to be considered as having been a pukka Sub Dn Officer from 1st July 1896.

[Note. The Pension appln has to be signed by Secty.]

19/11/98

(illegible) has the ruling allowance actually

been left out in calculating "average emoluments".

23-11-28

Submitted to Secy

It has been left out in accordance with the provisions contained in clause (e) of article 329 of the Govt. of I.

2/11/28

The acting allowance drawn by an officer while acting in an appointment higher than his own, is not taken into consideration in calculating the average of the last 6 years for purposes of pension.

Mr. N. Ramachandra Rao's present prayer is made with the object of having these acting allowances taken into calculation.

5/12/28

I have this with me for some time & I did not quite understand Mr. Ramachandra Rao's prayer and wished to

have it personally explained to me by him. He has already seen me and explained his case to me.

Apart from [illegible] he was a Jemadar Sub Officer. As regards his service from that date to the date of his retirement viz 26/10/98, no special orders are required.

With the exception of the short period of 38 days from 16/12/96 to 23/1/97, he was acting Sub Officer for one year from 1-7-96 to 1-7-97. His request is that he may be treated as having been a Jemadar Sub Officer or rather Sub Officer during this period of one year. He relies on the Regimental Order which [illegible] promoted him to a Jemadarship but for the fact that there was a break (or rather three-days) of 38 days as thereon above. Order B shows that no such break or promotion was [illegible] by Govt. [illegible] Jemadarship was working in the Regt.

For a long time after his
appointment as Sub
Div Officer Sagar. In Dec 1896
he was ordered to go to
Sagar. Grant intended
that on relief by him Mr
Ramachendra Rao should
at once proceed to Closepet
as Sub Div officer. The
orders of Grant to this effect
did not however reach
Mr R. Rao in time. Mr
R. Rao had therefore to
proceed to Shimoga as
an Appa Towr - If the
joining time for the move
from Sagar to Shimoga &
for the move from Shimoga
to Closepet is deducted, a
little would be left only a
few days during which
he was in a sub Div officer
& this was due to no fault
of his but was actually due
to delay in the making
of orders by Govt. In
these circumstances his
prayer seems quite rea-
-sonable. As soon as
he received the order
relieving him he went
to the Devan asking for
the concession requested.

5)

I was informed in reply to his request that it would receive due consideration when the Pension Papers came up before Govt. I beg to suggest that he be regarded as having been a Sub Div Officer Duty from 1-7-96 instead of from 1-7-97. This would add some- what to his Pension and he fully deserves the addition.

⊗

Under Secy.

⊗ There also a question whether he should not be given the difference between the Pay allowance he drew during the said period and the full Pay & Sub Div Officer - It would be difficult to calculate his Pension on a if higher Pay than what he drew. Of course year, he drew Pay & allowance as follows

For 5 months & 15 days at 450 + 120 = 570

For [illegible] & days at 475

again for 5 months & days
at- 450 + 120 = 570.

The difference the given
by him would be about
5-12 Rs. As I said above
the Rachunatta Rao did was
therein a somewhat similar
Conception.

To

The Registrar of the

Sir,

Both the first and
second Assistant Commrs
of this District viz. Messrs K.
Ranachender Row and
C. B. Seshagiri Row are
first class Magistrates.
The former does the
revenue and criminal
work of his range con-
sisting of the Taluks of
Tirthalli, Shimoga and
Chanagiri: and the
latter that of the other
range comprised of the

Shikarpur and Bommali Talukas. Now the former, viz Mr. K. Ramachander Row, has been transferred to the Bangalore District and he will, therefore, be relieved here shortly by the second Assistant Commissioner Mr. Lesha: -giri Row and the next Senior Officer Mr. Asst Commissioner Mr. Rama: -chander Row will be put in charge of the 2nd Assistant Commissioners charge. As he (Mr. M. Ramachander Row) is only a 2nd class Magistrate, it is necessary to invest him with first class powers to enable him

to dispose of the criminal work of his range. He has been a 2nd class magistrate several years and is an experienced old officer and may, therefore, be given first class powers. Proposals about this and ministerial changes having been submitted to Government, they have in the Secretary's docket No. 6141 of the 8th January 1897, stated that I might send my recommendation for the investiture of Mr. Rm. Ramachander Row with 1st class powers through the Chief Court. I have accordingly forwarded the recommendation

roll in the prescribed form and solicit the favor of very early sanction thereto.

Sir,

With reference to Your docket No. 3789/2102 of the 26th January 1897 stating that as Mr. M. Ramachandra Row does not know English and has not passed any examination the judges are unable to recommend him for first class powers, I beg to state that he has passed the Madras criminal lower standard and the Lingsugur Municipal revenue and civil examinations. Though he does not know English, his long experience as a Magistrate, is, in my humble opinion, such as to enable him to exercise

the higher powers proposed, with efficiency. Further it is necessary to give him the power to enable him to get through the first class cases of his range. If they be given to the other Assistant Commissioners of the District or to the Treasury Assistant Commr, it will interfere with the work appointed to them and unnecessary delay will occur in the disposal of cases. To enable me, therefore, to get the work of the District done well and soon as per distribution of work made, I beg that the Judges will please

kindly support any recommendation which I have made after full consideration.

DATE 5-7-98

Most Honored Sir

With reference to the Secretary's D.O of the 23d ultimo informing me of the determination of Government to retire me from 26th July 1898 on which date I will attain the age of 55 years, I most respectfully submit that having first entered the Government Service on 16th April 1861 in the Capacity of the Huzur Revenue Munshi on Rs 20, I have completed 37 years and 2½ months uninterrupted service, of which minority service is 2 years, 3 months and 10 days as my age was 17 years, 8 months & 20 days on the said date of my first entertainment. Your honor will thus observe that my pensionable service is 34 — 11 — 5 (y m d)

2 — As to the nature of my services during this long period of 37 years and odd in the capacities of Revenue Munshi, Revenue Deputy Munshi, Revenue Head Munshi (Huzur Revenue Head Accountant), Revenue Sheristadar, Manager, Amildar, Assistant Commissioner and Sub Division Officer, I submit herewith for your honor's kind perusal the accompanying printed copy of the recorded opinions of 18 Officers under whose immediate orders I have hitherto performed the duties entrusted to me — Ten of these were European Commissioners & Deputy Commissioners, &

the

other & native Deputy Commissioners & Secretaries
As I worked in the Government Secretariat for
one full year in 1885 & 1886, I trust that
your honor had an opportunity of testing the
quality of my humble services = I have
devoted my time to Government work so fully
and exclusively that I sacrificed all the
benefits conferred by the Leave Code allowing
furloughs & other long-leaves = During the
whole period of 37 years & odd, I have taken
privilege leaves not more than 5 months on 3 or
4 occasions in long intervals = Mr Rangaswamy
Iyengar now Inspector General of Police
who was my last official Superior has recorded
only a year ago his opinion in the following
terms =

" Mr K. Ramchunder Rao did as usual
correct hard work both in the Sagar Sub Division
and as Senior Assistant Commissioner at Shimoga "

I have hitherto held charges of the
Several Districts & received Charge allowances therefor
on 5 different occasions, viz once in 1887 in the
Hassan District, again in 1895 in the Shimoga
District, again in 1896 in the same District, again
in 1897 in the Bangalore District & again in April
& May last in the Kolar District = By the
grace of Almighty God, I am blessed with sound
health & free from any defect in the organs of
hearing, seeing &c = I have not had hitherto
even the necessity of wearing Spectacles - As your
honor is fountain head of justice, I leave it to
your honor's impartial decision as to whether
I do or do not deserve the benefit of your "honor's"
rule passed only two months ago in Proceedings

No 14461-96-P J a 1175 of 6th May 1898 to the effect that "Mysore Service Regulations do not "require the Compulsory retirement of any efficient "Officer of whatever age, & that no efficient Officer "should be retired merely to make way for "younger men waiting for promotion" ==

3 = Your honor will observe that I will complete my 55th year of age, not now, but nearly a month hence = What I therefore solicit is my retention up to the end of the current Official year in which my Superannuation ~~to~~ age begins = Your honor is fully aware of the numerous instances in which such extensions have been kindly granted, that I need not name them ==

4 = Should your honor however, after kind Consideration of the above Circumstances, find it not practicable to alter the present resolution, I would most respectfully solicit your honor to be so merciful as to grant the folling two requests —

The first request is that I may be allowed to retire from 1st September 1898 instead of 26th July 1898, & prepare my Pension roll Completely, and that 3 months privilege leave to which I am entitled as per enclosed Comptroller's Certificate No 1128 of the 27th ultimo may be granted with effect from 1st September 1898 =

The second request is this — The amount of my pension will, of course be fixed upon the average pay of substantive posts held by me during the past 5 years = The

following is the abstract showing the amount of my last 5 years emoluments of substantive and acting appointments.

Item	Period	no of months	Substantive appa- Designation	Pay	Total drawn	Acting appointment Designation	Pay	rate of allowance	Total drawn
I	December 1893	1	Second grade Assistant Comr	400	400	"	"	"	"
II	1st Jany to 31st Dec 1894	12	do do	400	4800	"	"	"	"
III	January to June 1895	6	do do	400	2400	"	"	"	"
IV	July to December 95	6	1st grade do	450	2700	"	"	"	"
V	January to June 96	6	do do	450	2700	"	"	"	"
VI	[illegible]	5½	do do	450	2475	Salt Revenue Officer	600	120	660
VII	[illegible]	1¼	do do	450	562½	"	"	"	"
VIII	[illegible]	5¼	do do	450	2362½	Collector & Sub-Salt Revenue Officer	600	120	630
IX	[illegible]	4	do do	450	1800	Sub Salt Revenue	600	120	480
X	November 1897 to 31st August 1898	10	Sub Divisional Officer Closepet & Chickaballapur	600	6000	"	"	"	"
XI	Privilege leave for 3 months from Sept to November 1898	3	do	600	1800	"	"	"	"
	Total	60			28000				

It will be seen from the above abstract that the total emoluments of substantive posts during the last 5 years or 60 months come to Rupees 28000, or an average of Rs 446—10—8 per month, the moiety of which would be Rs 233—5—4 as my pension. I solicit the favor of your honor ordering that in regard to items VI—VII—VIII & IX embracing a period of 16 months ~~of my~~ I should be regarded as having held the appointment of Sub Divisional Officer per Rs 600 permanently for the purpose of calculating the 5 years average emoluments. This would raise the said total of Rs 28000 to Rs 30400 & I would get a pension of Rs 253—5—4. I respectfully

beg leave to submit that this request of mine is not without reason — In regard to item no VI, I held the appointment of Sagar Sub Divsion Offr for 5 months in the room of Mr Nanjundaya who, though appointed as Sub Divsion Offer had been detained as under Secretary in the Govt Offie on Special duty = In respect of items no VIII & IX, I held the post of Closepett Sub Dn Offer in the room of Mr late Raghavacharlu who had been employed on Special duty in the Dewani Offie — Moreover in respect of item no IX the Govt were pleased in their Proceedings No 926-7-306 926-7-97 (Copy enclosed for ready reference) to authorize me to draw full pay of the Sub Division Offer as Sub Protem — As regards item no VII, Your honor will observe from the tenor of the enclosed copy of Proceedings no 5827—30/1993 of the 30th December 1896 that the Govt did not intend my reverting to the charge of the 1st Assistant Comrs Offie, & that I had to assume charge of the Closepett Sub Division on being relieved by Mr Nanjundaya = But as Mr Nanjundaya arrived at Shimoga a fortnight before the Issue of the said order I was obliged to resume charge of my permanent Offie of 1st Assistant Commissioner —

4 — For this act of kindness, I shall ever pray for the long and happy life of our beloved Maha Rajah and your honor —

I beg to remain
Most Honord Sir
your very humble Servant

Sir —:

1. — In obedience to the Government Order No. 17309-2061 of 30th June 1898, I respectfully submit herewith my application for Super-annuation Pension in the form prescribed by the Mysore Service Regulation I close my service up to the 26th October 1898, on which date my 3 months privilege leave granted in Government Notification no: 735/L297 of the 26 July 1898 will expire —

2= You will observe from the

entries

entries in Column 8 on the Reverse of the application that the length of my service including interruptions &c is 37 years, 6 months, and 10 days, the whole being Superior Service; and that the non-qualifying Condoned break and minority Service amount to 3 years, 8 months, & 2 days, the balance of qualifying Service being 33 years 10 months and 8 days

3= Exhibits marked from A to K. in support of the entries in the application are herewith Submitted.

It will be seen from the exhibits marked from A to D that the Under Secretary, Comptroller, Commissioner Northern Division, and the Deputy Commissioner Mysore District have already

Verified

Verified the statement of my Service
up to 23rd October 1891. The necessity
for Verification in 1886 arose from
the fact that I had to open
a new Service Register in lieu of the
former Register which in 1879
Sir James Gardon had sent for
from the Nagar Division Commissioner's
office of which I was then Manager
and which was mislaid in the late
Chief Commissioner's Office. The
Compilation of History of Services of
Gazetted Officers led to the necessity
of the Comptroller's second Verification
in 1891= I have quoted Govern-
ment Notifications for the Service
and leaves of the subsequent 7
years.

4 = From the entry in column 10 on the Reverse of the application you will observe that the average pay drawn by me during the last 5 years (exclusive of acting allowances for having acted as Sub-Division Officer) is Rupees 470-7-8, the moiety of which as pension is Rupees 235-3-10 as per memo of particulars marked as Exhibit J- In consideration of my very long services and of the very short (viz 1 months) notice I had of my contemplated retirement without even the Comptroller's previous notice which is usually issued to officers attaining the age of 55 years in view to their obtaining Government orders for their further retention or otherwise and without even

a single extension (a grace allowed to a good many Supernumerated officers holding posts equal or superior to my position), I already solicited His Excellency the Dewan Bahadur to give retrospective effect to the marginally noted order of my confirmation as Sub Division officer from 1st July 1896 when I first began to act as Sub-Division officer of Sagar as per Government Notification no 14070-2111 of 30th June 1896 which runs thus "Mr. K. Ramachendra Rao Assistant Commissioner 1st Class to act as Sub-Division officer Sagar until relieved by Mr. M. V. Narayana

No 4698 dt 3/11/97 mis 939

from that date viz 1st July 1896
I held continuously the appointment
of Sub-Division officer, save a
short period of 38 days during
which I had to revert to 1st class
Assistant Commissionership
in consequence of the delay in
the receipt of the Government
order no 5827-30/1993 of 30th December
1896. which runs thus ——

" The Government are pleased to
" direct that on being relieved by
" Mr. V. Narayanadaya Mr. K
" Ramachandra Rau acting Sub-Division
" Officer be instructed to take
" Charge of the Cooperet Sub-Division".
This order reached me on 4th
January 1897 when I was on
Jamabundy duty at

at Agumbi, the extreme western boundary of the Province; whereas Mr: Nayundaya relieved me of the Charge of the Sagar Sub-Divn, on 16th December 1896 ie 15 days before the date of the said order No: 5827-30/1993 which should have reached me before the arrival of Mr: H. V. Nayundaya. You will of course plainly observe from the wordings of the order itself that the Government did not at all intend my reversion to the 1st class Assistant-Commissionership but that it did intend that on being relieved of the Charge of the Sagar Sub-Division, I had to go forthwith

to

to Closepet and take charge of that Sub-Division, without going back to my permanent post of 1st Class Assistant Commissioner

XXXIV

At the time of the revision of the establishments in this Division, Mr. Ramachender Rao had been acting Manager of the Commissioner's Office for some years. On the abolition of the latter Office, the Chief Commissioner, was pleased to appoint him temporarily as an Assistant Commissioner giving him a personal allowance to make up his salary to Rs. 250. The temporary arrangement having now ceased, he reverts to the post of second grade Amildar. His services under myself were very brief, but the high commendations he has received from the several Officers under whom he has served for lengthened periods, sufficiently attest the excellence of his abilities, as

well as of his character. I should say that he excels in the capacity of collecting and arranging details. His revenue experience is considerable, and his services could be utilized to the best advantages, in my opinion, in a ministerial office, where the duties consist of preparing precis and memoranda.

He is moreover most methodical in business, and an indefatigable worker.

Mr. K. Ramachender Rao was associated with me as Treasury Officier, Shimoga District, from the 16th January 1880 to the 16th November 1880, and I am happy to be able to testify that during this period he made himself very useful. His intimate knowledge of Revenue details, painstaking habits, and undoubted industry have enabled him to afford me entire satisfaction not only in the conduct of the duties belonging to the Treasury, but also in the disposal of the miscellaneous work referred to him from time to time from the Deputy Commissioner's Office. He has also shown much patience and tact in the management of his subordinates. I am very sorry to be deprived of so useful a coadjutor.

YOUR HIGHNESS,

It is with sentiments of deepest respect, and very humble submission that I venture to lay before your Highness the following circumstances with a most humble prayer that they may receive your Highness' benevolent and merciful consideration.

2. It needs no mention that sound justice, strict impartiality and benevolence which have characterized your Highness' administration are widely known throught India—No case of apparent injustice which came to your Highness notice has ever escaped grant of redress to the aggrieved.

3. I have been a servant of the Mysore Government for a period of more than 30 years, having first entered the service on 16th April 1861, and closed it on the 26th July 1898, under an order of compulsory retirement passed during the time of the late Dewan.

4. As to the character of my official career during the said long period, I humbly submit that there cannot be better evidence than the 58 recorded testimonials contained in the enclosure (of which, I crave your Highness' kind and considerate perusal) by 24 executive and administrative Officers of this Province viz.

1. General J. L. Pearse, late Divisional Commissioner (*Vide No.* 2 *&* 6 *in the enclosure*)
2. Mr. P. B. P. Gough, late Deputy Commissioner Kadur District and now Military Secretary of Hyderabad (*Vide No.* 1 *&* 15)
3. Colonel E. D. Ludlow late Deputy Commissioner Tumkur and now Police Inspector General of Hyderabad (*Vide* No. 4-5-9-10 *&* 11)
4. Colonel C. Elliot C. B., late Divisional Commissioner (*Vide No. 3*)
5. Colonel T. M. McHutchin late Deputy Commissioner of the Mysore District (*Vide No.* 13)
6. Mr. L. Ricketts late Inspector General of Police (*Vide No.* 7-8 *&* 12)
7. Colonel W. Hill late Deputy Commissioner Hassan and late acting Divisinal Commissioner of Nagar (*Vide No.* 20-28 *&* 31)
8. Colonel Tredway Clarke late Divisional Commissioner and late acting Resident of Mysore (*Vide No.* 32-33-34 *&* 36)
9. Colonel Tom Clerk late Divisional Commissioner (*Vide No.* 18 *&* 19)
10. Colonel J. A. Campbell late Divisional Commissioner, and now your Highness' private Secretary (*Vide No.* 14-21-22-23-24-25-26-27 *&* 29)
11. Mr. Plumer late Chief Judge of Mysore (*Vide No.* 55)
12. Sir K. Seshadri Iyar K. C. S, I., late Dewan Bahadur (*vide No.* 57)

13. P. N. Kristna Murty Esquire C. I. E., the present Dewan of Mysore (*Vide No. 56*)
14. Mr. V. N. Narsimmayengar late Deputy Commissioner and Session Judge and now your Highness' controller of the palace (*Vide No.* 35-37-44-45)
15. Mr. Mahommed Alli late Deputy Commissioner Chitaldurg (*Vide No.* 17)
16. Mr. S. B. Kristnasawmy Iyengar late Assistant Commissioner (*Vide No.* 16)
17. R. Vijeander Rao late Chief Secretory to the Government of Mysore (*Vide No. 54*)
18. Mr. Abdul Khader Khan Bahadur late Deputy Commissioner Mysore District (*Vide No.* 38)
19. Mr. Abdul Rahiman Saheb Khan Bahadur your Highness' late Councillor (*Vide No.* 40-41 *&* 42)
20. Mr. C. Soob Rao late Deputy Commissioner Kolar District (*Vide No.* 39)
21. Mr. C. Madiah Sahib your Highness' present Councillor (*Vide No.* 43-46-47 *&* 48)
22. Mr. T. Annanda Rao late Deputy Commissioner and now Director of statistics and Census Commissioner (*Vide No.* 50)
23. Mr. B. K. Venkatvardiangar Deputy Commissioner and the present Inspector General of Police (*Vide No.* 49-58-52 *&* 53)
24. Mr. A. Rangasawmy Iyangar the present Judge of the Chief Court (*Vide No.* 58)

5. Each of these 24 Officers had fully, or partly personal observation of my services in various capacities in the executive and Judicial branches.

6. I beg to be permitted to submit that one great and unrebuttable proof of the appreciation of my hnmble service is my rise, step by step, from the first appiontment of Revenue Munshi on Rs. 20 to the last responsible executive appointment of Chickaballapur Sub-Division Officer on Rs. 600 per mensem, from which post I was compulsorily retired on the ground of my having attained the age of 55 years, before I could complete the requisite period of service to entitle me to get a Pension of Rs. 300 the moiety of the pay of the said last appointment.

7. My prayer to the late Dewan Bahadur for retention in service for a further period (a grace which has been allowed to good many Officers of the age of 60 and over whom I can name individually) received no consideration whatever. If I was really incapacitated for further service from physical infirmities on account of my 55 years of age, I would never have troubled the late Dewan with the said request.

8. By the grace of Almighty God, I was then, and am still now, blessed with sound state of health and free from any defect in sight, hearing or any other organs of the body.

9. One great prominent feature of my case to which I crave your Highness' special consideration is the fact that only two months before the date of the order of the said compulsory retirement, I was considered by the late Dewan as competent to Officiate in the more responsible post of the Deputy Commissioner of the Kolar District. By Government order of April 1898, I held charge of the Kolar District for nearly two months, receiving additional allowance for the same, and was relieved of the same in the latter part of May 1898, in consequence of one of my senior Officers having been nominated to the post.

10. Another important circumstance which also I most humbly submit, deserves alike consideration of your Highness is that the Government order No. 1730--4061 of 30th June 1898, under which I and Mr. B. G. Kristniangar were simultaneously retired compulsorily on the score of our attainment of 55 years of age, sadly violates the principle definitely laid down in the Government Circular Order No. 1444—96 of 6th May 1898 passed ONLY 7 WEEKS BEFORE THE SAID DATE OF COMPULSORY RETIREMENT. For the purpose of easy reference, I give below copy of the said Ruling for Your Highness kind perusal

"*Order No.* 14461-96 *P & A* 1175, *dated*6-5-1898. *The attention of the Inspector* " *General is drawn to Rule* (1) *under article* 307 *of the Mysore Service Regulation* " *which makes it clear that the rules do not require the compulsory retirement of any* " *efficient Officer of whatever age-By Government Proceedings No.* 9052—82—1105 *of* " 10*th February* 1897, *Heads of Departments were empowered to declare any non-* " *gazetted Subordinates of their respective Departments who have attained the age of* 55 " *years to be efficient and permit them to remain in the service for a definite period up* " *to but not beyond the age of* 60 *years. Where as in the present case, the Head of a* " *Department Considers that an official though past the age of* 60 *is yet efficient and* " *physically fit he should make a report of the same to Government to obtain their or-* " *ders; no efficient officer should be retired merely te make way for younger men waiting* " *for promotion.*"

11. The order above quoted is moreover in perfect consonance with the principle adopted by His Majesty's Imperial Government, as will be seen by your Highness from the following extracts.

Section 10 *of the Civil Pension Code of India.*

A super-annuation Pension is granted to an Officer entitled to retire at a particular age.

As some misapprehension appears to exist on the subject of the Rule regarding the compulsory retirement of uncovenanted Officers after the age of 55 *years, His Honor the President in Council thinks it desirable to state that not only does Section* 110 *of the Civil Pension Code not require the compulsory retirement of any efficient Officer of whatever age, but that though the section authorizes tht local authorities at their discretion to presume that an Officer is inefficient at* 55 *yeaes of age conditionally and at* 60 *years of age absolutely, yet the whole tenor of the Rules is that such a presumption shall be exercised with careful consideration both for the individual, who would suffer by being deprived of his appointment while capable of discharging its duties and for the finances of the country which would suffer were Officers still efficient prematurely thrown upon the Pension List—(Government of India Revenue Department No.* 31 *F, dated* 30*th September* 1877.

Ruling by the Secretary of State for India—Vide his Despatch No. 87, *dated* 8*th August* 1872.

" *I trust that the varius Governments aud Administrations will always be disposed* " *to extend to this Rule a very liberal interpretation and that the State should in no* " *case be deprived of the valuable experience of really efficient Native Officers by the* " *untimely exercise of the powers of compulsory retirement on Pension.*"

Para 11.—Quite contrary to the spirit of such authoritative and definite rulings, I, and Mr, B. G. Kristniangar were retired notwithstanding our humble protest, and two young Officers appointed in our stead. Your Highness' recent order, reinstating Mr. B. G. Kristniangar in his former post, has produced universal satisfaction.

12. The last testimony concerning my efficiency by Mr. Rangasawmy Iyanga the present Judge of the Chief Court was recorded only a few months before th date of my compulsory retirement in the following terms.

"*Mr. K. Ramachunder Rao did, as usual, earnest hard work both in the Saga Sub-Division and as Senior Assistant Commissioner at Shimoga.*"

13. Having thus placed the above narrative of facts before Your Highness wh is the fountain head of justice, I humbly pray that Your Highness will be so gracion as to direct the present enlightend Dewan to reconsider my hard case and to do m justice by reinstating me in the post from which I have been compulsorily retire ordering my retention therein only for a period of two years, so that I may get m half Pension, which is the just reward to every one of Your Highness' faithfu servants.

14. For this act of justice and benevolence I, as in duty bound shall ever pra

I beg to remain,

Your Highness'

Your Highness' most obedient,

and humble Servant,

K. Ramachunder Rao

At the time of the revision of the establishments in this Division, Mr. Ramachender Rao had been acting Manager of the Commissioner's Office for some years. On the abolition of the latter Office, the Chief Commissioner, was pleased to appoint him temporarily as an Assistant Commissioner giving him a personal allowance to make up his salary to Rs. 250. The temporary arrangement having now ceased, he reverts to the post of second grade Amildar. His services under myself were very brief, but the high commendations he has received from the several Officers under whom he has served for lengthened periods, sufficiently attest the excellence of his abilities, as well as of his character. I should say that he excels in the capacity of collecting and arranging details. His revenue experience is considerable, and his services could be utilized to the best advantages, in my opinion, in a ministerial office, where the duties consist of preparing precis and memoranda.

He is moreover most methodical in business, and an indefatigable worker.

Remarks in the Mysors Chief Court's Criminal Appeal No. 119 of 1890 against the conviction and sentence by Mr. K. Ramchender Rao General Assistant Commissioner & 1st Class Magistrate Kolar, under Section 406 of the Indian Penal Code in Criminal Case No. 21 of 1898.

By Mr. P. N. Krishna Murty Judge. After giving the case the consideration which it deserves both on account of the large and numerous interests involved in it and the intricacies which are inherent to it, I have come to the conclusion that the conviction must be upheld. The Magistrate has taken great pains to assertain all the facts which have a bearing upon the case and to present them in a very intelli gent form.

1 — Fully conscious of the commencement of your Highness's glorious reign with firm resolution to grant justice to every one of your Highness' beloved subjects I most respectfully beg leave to submit herewith for your Highness kind perusal the accompanying printed copy of my memorial to Her Highness the Maha Rani the Regent dated 18th July 1901 on the subject of my premature retirement ordered during the time of the late Dewan Ser K. Seshadri Ayar —

2 — That the course adopted by the late Dewan in my case was diametrically opposed to his own Circular No 1444-96 of 6th May 1898 passed only 7 weeks before the date of my retirement, and to the definite rulings of the Government of India and the Secretary of State for India will lie apparent to your Highness from Paras 10 & 11 of the said Memorial to which are appended copies of the said Circular and the rulings in extenso.

3 — Colonel J. A Campbell informed me that

Her Highness was, after a patient hearing of my papers, pleased to refer the matter to our present Dewan Saheb with Her Highness' opinion that my prayer for retention in Service for only a couple of years more to entitle me to get a Pension equivalent to a moiety of the pay of my last appointment deserves favorable consideration.

4 - A kind perusal of the 58 testimonials by 24 administrative and executive Officers of the Mysore State including the present and the late Dewan, Chief Judge &c, forming enclosure to my said Memorial will, I humbly trust, convince your Highness, the nature of my long Service in the State in various Capacities from Revenue Munshi on Rs 20 to the responsible post of permanent Sub-Division Officer on Rs 600 per mensem - I do not therefore venture to trespass upon your Highness' most precious time with any detailed account thereof -

5 - no final disposal of my said Memorial has yet taken place, as no vacancy corresponding with the post from which I was compulsorily retired has yet occurred - As I am now given to understand that retirements of some Super-annuated Officers who were hitherto allowed extensions from time to time (an usual grace) was not only denied to me, but I was also compelled to retire a month before I completed my age of 55 years as will be seen from the Secretary's D.O dated 23rd June 1898 herein enclosed) will take place shortly I most humbly solicit that

my humble prayer supported by Her Highness the Maha Rani Regent as reasonable, may receive your Highness' benevolent and just consideration. Should a vacancy occur in those changes [illegible]

6 — I need scarcely take the liberty of informing your Highness that the grant of my prayer will as pointed out in the Government of India's Rulings quoted in Para 11 of my said memorial, cause a saving of Rs 3084 a year to the State, the amount of my present Pension being Rs 2572 per mensem — Article 307 of the Mysore Service Regulation on the subject is transcribed in the margin for easy reference —

7 — There is one noteworthy fact in my case which cannot, I humbly submit, fail to convince an unbiased mind bent on doing only justice & nothing else, that my untimely retirement by the late Dewan was arbitrary & in said violation of the principle which he himself most publicly and widely announced in his Speech in the Mysore new Civil Service Scheme Resolution contained in Government Proceedings Camp No 407-22 of 1st November 1891 — For the purpose of easy reference I give below an extract from the said Speech —

"Executive work suffers seriously from incompetent men getting by seniority to the top of the list — In order to ensure that more responsible work should always go together with higher salaries it has been decided to form at least four Sub Divisions — The most active & qualified men being thus separately provided for, the remaining

† 307 — An Officer in Superior Service who has attained the age of 55 years may be required to retire unless the Govt. considers him efficient — But as the premature retirement of an efficient Officer imposes a needless charge on the State, this Rule should be worked with discretion — In case in which the Rule is enforced, a Statement of the reasons for enforcing it shall be placed on record —

The Accts Department will always extend a very liberal interpretation & that the State may, in no case be deprived of the valuable experience of really efficient Officers by the untimely exercise of the power of compulsory retirement —

remaining number of present Assistant "
"Commissioners have to be employed on general
"duty and for Treasury Charge" — This speech
admits of no other meaning than that among
the 28 Revenue Assistant Commissioners who
were in service on that date of the said speech,
there were many who, though entitled to
promotion to Deputy Commissionership by their
seniority, were wanting in activity and
qualification requisite for holding such high
position; and (2) that for the sole purpose of preventing
such incompetent Senior Assistant Commissioners
rising to the top of the list, four new posts
designated as "Sub Division Officers" with
higher salaries of 600 Rs. (viz Sub Division Officer
French Rocks, Closepet, Chickaballapur and
Sagar) were created & decided to be filled
only by such Assistant Commissioners who
might be found active & qualified, and
(3) that the remaining number of Assistant
Commissioners should only be employed on
general duty and Treasury Charge. — I was
one of the said 28 Revenue Assistant Commissioners
on the said date on 300 Rs on 3d grade —
During the 4 subsequent years, I had promotion
to second grade on Rs 400 in December 1893 when
I passed my Criminal examination in the first
class; and to the first grade on Rs 450 in
July 1895 as per Government Notification no 34
Rev D
of 20 July 1895 — I was considered fit to act
as Sub Division Officer of one of the said newly
created 4 Sub Divisions, I was appointed accordingly
in June 1896 as per Government notification

(2)

no 14070 - of 30th June 1896 = I was confirmed as
2111
permanent Sub Division Officer in November 1897
under Government notification no 4898 of the
939
3d November 1897, when my age was 54 years
and 3 months — It is quite obvious that at
this time, the rule contained in Government Proceedings
no 143-53 dated 6th July 1895 to the effect that
69
"Appointments to Sub Division Officer will always
"be made by Selection and not by Seniority" which
was consistent with the Mysore Civil Service Scheme
Speech quoted above, was borne in mind and
acted upon =. I was appointed to officiate
as Deputy Commissioner Kolar District in April
1898 when my age was 57 years 2 8 months —
In June 1898 I was ordered to retire as will
be seen from the Secretary's D.O of 23d June 1898
above quoted, when my age was 57 years and
11 months — I now most respectfully crave
your Highness' consideration, how my activity
and qualification which the late Dewan
found in me (1) when he appointed me to
act as Sub Division Officer (newly created post
under Civil Service Scheme); (2) when he Confirm
me in the said post in November 1897; and (3)
he appointed me in April 1898 to officiate
as Deputy Commissioner miraculously disappear
within such a short space of two months =
8 — The procedure that has invariably been
followed in this Province for many many years past
under Section 310 of the Mysore Service Regulation
transcribed in the margin is this — In October or
November after the close of the official year, the Comptroller
submits to Government a list of Officers who attained
age of 55 years; and the Government after due enqui

X Vide Government order no 2817 dated 15th April 1898 —

* Article 310 of M. S. Regulations On or before the 1st November in each year or as soon as possible after the examination of the books of establishment the Audit Officer will inform the Govt. when ever any Officer attains the age of 55 years, in order that the Govt. being apprized of the fact may take such action as seems fit for the retention or otherwise of the Officer in question

decide whether the Officers named in the list deserved retirement or retention in Service for a further period — In my case, the procedure was quite disregarded; there was no such previous Report by the Comptroller; the question of my retirement which should have been placed before the Govt by the Comptroller four months after the expiry of the Official year 1887-88 was taken up by the Dewan a week before the expiry of the said Official year, and before I completed my 55th year —

9 — I made a respectful representation of all these circumstances to the late Dewan before I was relieved by my Successor Mr K. Doraswamy Iyar the said Dewan's son; but received the enclosed letter from the Secretary dated 24th July 1898, informing me that the Dewan regretted his inability to alter his decision

10 — Thus placing all the facts before your Highness I beg to conclude this humble representation with my prayer that your Highness will be so gracious as to do me that justice which the circumstances of my case demand —

For this act of benevolence I as in duty bound shall ever pray —

I beg to remain
Your Highness.

humble Servant
